EDUCATION

B.Tech in Computer Science and Engineering

Madanapalle Institute of Technology and Science (MITS), Andhra Pradesh
CGPA: 9.22 (as of 7th semester)

Oct 2022 – May 2026

SKILLS

Programming Languages : Java, SQL, Python
Soft Skills : Problem Solving, Adaptability, Flexibility
Languages Known : English, Hindi, Telugu

EXPERIENCE

Winter Intern – IIT ROPAR (VLED Lab)

Role: MERN Stack Intern

Duration: 22 Dec 2025 – 18 Jan 2026

- Learned MERN stack fundamentals (MongoDB, Express.js, React, TypeScript).
- Completed basic hands-on case studies to understand full-stack workflow.
- Learned core concepts of API integration and web application development.

PROJECTS

Plant Disease Severity Classification using NASNetLarge

Role: Team Member Tools: Pycharm, Python Team Size: 5

- Developed a deep learning system to classify plant disease severity from leaf images.
- Used the NASNetLarge CNN model with data augmentation techniques to achieve accurate multi-class disease prediction.
- Implemented mixed precision training to optimize GPU performance and reduce training time.
- Evaluated model performance using accuracy, precision, recall, and F1-score metrics.

Breast Cancer Prediction

Role: Team Member Tools: Google Colab, Python Team Size: 4

- Developed a predictive model using SVM and Naive Bayes to classify tumors as malignant or benign.
- Performed hyperparameter tuning and ablation studies for performance optimization.
- Evaluated models using precision, recall, and F1-score for reliability.
- Achieved **97%** accuracy with SVM and **93%** with Naive Bayes, demonstrating SVM's superior performance for medical data classification.

CERTIFICATIONS

- **Joy of Computing Using Python** – NPTEL (IIT Madras)
Scored **93%** and received an **Elite + Gold Certificate**, ranked in the **Top 5%** of students.
- **Programming in Java** – NPTEL (IIT Kanpur)
Ranked in the **Top 5%** with **Elite + Silver certification**, achieving a **76%** score.
- **Basic Problem Solving in Python and SQL** – HackerRank
Earned certification for problem-solving skills in Python and SQL.
- **Introduction to SQL** – Simplilearn
Completed beginner course on databases and SQL queries.

ACHIEVEMENTS

- Recognized as an **NPTEL Motivated Learner** for consistently completing 8 certification courses over 2 years with a minimum **75%** pass rate, as per NPTEL eligibility criteria.
- **NPTEL Discipline Star, IIT Madras** – Awarded for completing **64 weeks of CSE courses** with consistent excellence (*Jan–Apr 2025*).
- Completed **8 NPTEL-certified courses**, achieving **top 5% ranking in 4**, with **Elite + Gold/Silver** certifications.
- Actively participated in multiple competitions on behalf of **GMOCS-2024**, MITS College.
- Secured **Rank 5406** in **EAPCET 2022**.
